## Vision Care USA holds 5th NY/NJ Local Eye Camp

On Saturday, November 20th, Vision Care USA held our 5th NY/NJ Local Eye Camp at the St. Mary's Eye & Surgery Center in Palisades Park, NJ.

Even with the unique challenges we faced this year, we were able to provide free pre-scheduled eye examinations to uninsured/low-income community members and select 3 patients to receive sight-restoring cataract surgeries.

First, we want to thank and acknowledge our generous sponsors: Bank of Hope, Joh Foundation, Overseas Korean Foundation, St. Mary's Eye & Surgery Center, UBASE, KAMPANY, AKAM, The Park Medical Group, David C. Chung, Jiyong Lee, and the ASCRS Foundation.

Also, special thanks to our 4 non-profit partners, AWCA, KCC of Tenafly, KCS, and BVM for announcing our community event and helping to refer patients to us.

And finally, thank you to our dedicated doctors & volunteers, including volunteers from KAMSA and Bank of Hope, for ensuring a successful community event.
