

RESTORE SIGHT · SHARE VISION VISION CARE

A Special Story – from our Local Eye Camp

Last November, Vision Care USA held its annual Local Eye Camp in Palisades Park, NJ, where our Vision Care doctors led by Dr. Daniel Kim performed charitable sight-restoring surgeries to underserved members of the local community.

Earlier this month, during a post-op visit, we received a special donation gift and thank you letter from the church of one of our charitable surgery recipients, Mrs. HJ Lee (age 81) who had recently received both the glaucoma and cataract surgeries through Vision Care.

We are truly touched by this unexpected but thoughtful gift.

Thank you Mrs. Lee and to your church for 'Paying it Forward' and supporting Vision Care's mission to Restore Sight!
