

RESTORE SIGHT · SHARE VISION  
**VISION CARE**

## Thank You Morocco Eye Camp Medical Team!

We are so pleased to share that through our recent Morocco Eye Camp, which was held at the Hôpital Hassan II in Fnideq from April 29 to May 3, our dedicated medical team was able to provide 99 sight-restoring/life-changing surgeries including 19 strabismus surgeries to correct eye misalignment (commonly referred to as crossed eyes).

Thank you to our volunteer doctors, **Dr. David Yi**, **Dr. Dong-wouk Park**, and **Dr. Hyunjin Shin**, and the rest of the medical team for transforming lives!

## Vision Care USA is Now Accepting Applications for Our Summer Internship!

Vision Care is a global health NGO dedicated to restoring sight and preventing blindness in developing countries. We work throughout Africa, Asia, Central and South America, with HQ offices in New York City, USA, and Seoul, Korea.

We are pleased to announce a **summer part-time hybrid internship program** based at our headquarters in New York City. As an intern, you will have the opportunity to support our medical teams in their surgical, educational, and outreach programs.

This is a paid internship position and we encourage motivated high school and college students as well as recent college graduates with an interest in public health or medical fields to apply. Strong writing skills and graphic design experience are preferred.

If interested, please email your resume and cover letter to Amy Ahn at [amyahn@vcs2020.org](mailto:amyahn@vcs2020.org). Applications will be accepted through June 15, and decisions will be made on a rolling basis.
