8th Annual NY/NJ Local Eye Camp

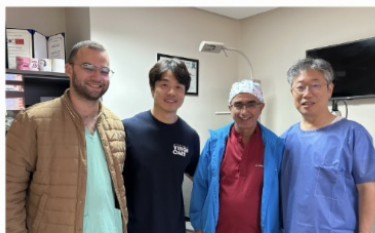

Earlier this month, Vision Care USA held its 8th NY/NJ Local Eye Camp at the Korean Community Services of Metropolitan New York (KCS) in Bayside Queens.

Led by four Vision Care doctors and volunteers from the Bank of Hope, the Korean American Medical Students Association (KAMSA), and St. Mary's Eye and Surgery Center, we examined around 70 patients and selected five of them to receive the charitable cataract surgeries.

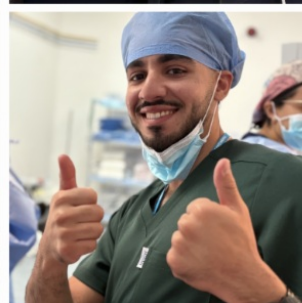

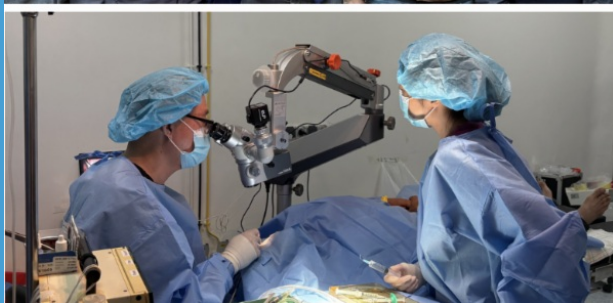

We would like to sincerely thank our volunteers, generous sponsors, and community partners for contributing to this event's success!

Vision Care Leads Morocco Eye Camp

This November, Vision Care led two Morocco Eye Camps back-to-back in Marrakech and Kelaat M'Gouna.

During the first week, our Vision Care doctors led medical seminars and lectures, providing hands-on surgical training for the ophthalmology residents at Le Centre Hospitalier Universitaire (CHU) Mohammed VI de Marrakech, one of the largest medical institutions in Morocco.

During the second week, our Vision Care team, led by four doctors from the U.S. and South Korea and joined by local ophthalmologists, performed 106 cataract surgeries and provided over 500 examinations and non-surgical treatments in Kelaat M'Gouna.

Thank you to our dedicated doctors and volunteers for joining us. It was truly a team effort!

Sincerely,

Vision Care USA
